## Age of Empires III is awesome and i love it!

Sun 25 Apr 2017, 15:21 BOOM! Are you ready for the new version of Age of Empires III? Well a free Mod for it is coming up now, and it's awesome! If you've never played Age of Empires 3, then you're probably wondering what it's all about. In AoE3 we have two great game modes. In the first you start out with a single colony, and use time and resources to build your economy, expand your borders, and fight. Start in the 1860's with an eponymous Latin American Colonization theme. Wars of Liberty add-on for Age of Empires III has been updated Dec 1, 2011. 23:56 Wars of Liberty is a free, fan-made modification for Age of Empires III developed by the War of the Triple Alliance Team. It features 24 Allied Minor Civilizations Wars of Liberty invites you to become part of a secret alliance between the U.S., Britain, and France that will enter the American Civil War with a large fleet of battleships, submarines, dreadnaughts, and finally the most of all: a keelhaul of a super-weapon. Dec 21, 2012 The age of the steam engine is over! The wars are now being fought through the use of airships, anti-aircraft cannons, and Japanese long-range naval carriers. Games have the power to shape culture, and other people have the power to change the game for good or evil. To some this may be an overstatement, but in the case of Age of Empires III, this is true. I wanted to use this power for good, and created a new mod called Wars of Liberty (often abbreviated as WoL, WoL being short for Wars of Liberty). This was a "free" mod, meaning that I released a version that anyone could download for free on the WoL website. There was no payment required for the download, and no IAP was required. Some people thought this was exploitative, but the intention was to get the mod into as many people's hands as possible, hence the free tag. Battle of California Name Announcement! I am announcing a big addition to the mod. Wars of Liberty is adding a new year of civics and a brand new country called the Battle of California. It will include 24 of the
