
Operating Systems Achyut S Godbole Tata McGraw Hill 2nd Edition.48 3

IT 3.1 APPLIED MATHEMATICS - III . 3. Advanced Engineering Mathematics by Kreyzig. . Operating Systems - Achute S. Godball, Tata McGraw Hill. (C. Gobel, T. McGraw Hill Book Company, New York, 1992, p. 238). In Russia, at present, it is less and less common to find books written in Russian, devoted to computational mathematics, on sale. We can say that in Russia there is still no modern computational mathematics. Therefore, it is not surprising that at present in Russia there is no translation of "Advanced Engineering Mathematics" (Applied Mathematics and Engineering, Vol. 3.3, 1989) by Achyuta S. Godball, T. McGraw Hill.
