War Thunder Generator v ... How to get a Gold Eagle aircraft
from the Golden Eagle package in World of Warplanes. At
the end of the campaign. Gold Eagle The Gold Eagle is an
airplane in World of Warplanes that you can buy with the
Golden Eagle pack for Silver. It has a high overview and
visibility on level V. With it, you can see your enemy at a
distance of up to 275, which is very high compared to other
planes of its level, but it also has a low speed for quick group
regrouping.
