The adventure of the Elden Ring begins. In the Lands Between, the great land of Tarnsia, you will be asked to wield the power of the Elden Ring and become an Elden Lord. But the Elden Ring has always been worn by the royalty, and the summoning ritual has been kept secret. Only a select number of people know about the people of Tarnsia and the legend of the power of the Elden Ring. A vast, seemingly endless and uncharted world awaits your adventure. Discover the unknown, meet new people, solve riddles, and make your name known in the world of Tarnsia. - Age: 15+ - Play Time: ~40 hours - Language: Japanese - Platform: PC - Genre: RPG - Published by: Nintendo - Published date: Summer 2020 - Price: Apple: €39.99 Google Play: €39.99 Visit the official site for more details: Hello, and welcome to the new Fantasy Action RPG! The Tarnsia Kingdom is dark and alone. Then the Wizard of Tarnsia was born. The Great Wizard who could control the power of the Elden Ring. The power of magic was born and a king was born. Now the King of Tarnsia is no more... The King became mysterious, and the curtain rose on the legend of Tarnsia. After that, the Elden Ring was summoned in the Tarnsia Kingdom. And no one knows of the history of the Elden Ring and the power of the Elden Ring. The power of the Elden Ring has been kept secret for a long time. It is said that if you take up the power of the Elden Ring, you can learn the secret of the world, even the unknown technique. In the ancient world of Tarnsia, a series of events were recorded by ancient people. I, a player of the Elden Ring, was led to the Lands Between and became a knight. I will see the story of Tarnsia as a knight. This game is an original story from Capcom. And as such the game has unique monsters and features. Music: "KING OF THE SUN" by Taguchi Ann Music,

Review by someone who bought the game

-----  
----- 2 out of 5 stars Vergil The game is good, and pretty short, but I ended up quitting playing it, it's sad because the game is so fun. I would recommend this game if you love fantasy, you might want to try out Final Fantasy 14 :)

----- 4.5 out of 5 stars Dante88 A new fantasy game, this one is pretty good. I love the fact that it has a large world, a lot of content (100 hours), and a lot of quests. It's basically like FFXI, but in a 3D Fantasy World. I did however, run into a problem, every time I went to town and would try to talk to my guild mate, everything would be dead. I would get the message, "You can't chat with players from other servers" Would not allow me to speak to him until I had either ran out of combat (or by using repair items) out of town, or the server had been online for 5 minutes. I tried this with all my guild members, but it was useless. Will not be buying this game again, unless they fix this silly error. Overall, I would rate this game a 4.5 out of 5 stars.  
-----

----- This is a fair review. I didn't mention the chat problem in my review, but that's because the problem hasn't happened to me. For people having trouble with it, try contacting the feedback department of EA.

----- Sparked by the insightful thoughts of @Marianna Bess, "I would recommend this game if you love fantasy, you might want to try out Final Fantasy 14 :) ", I decided to test out another game that was mentioned to me by @RelicDoron. I have mixed feelings about this game. There are good points and bad points. It starts off with a pretty massive world. The good thing is that you can explore from the beginning of the game and explore everything. I also like that for the first 100 hours (or so) bff6bb2d33
