■ As a Brand of Fantasy Action RPG, the Elden Ring Game is Born to Evoke Nostalgia and Excitement of Offline Games In the fantasy world of the Lands Between, a king rules the righteous power of the Elden Ring. The king's daughter, Miane, was stolen away as a result of a conspiracy and is trapped within the heart of an evil dragon... In order to break the cycle of this tragedy, the king tasked the foremost knights with ascending to the next level. Since this legend began, the lands between have become a site of conflict as other kingdoms seek to dominate. However, the land is facing a new era of uncertainty as the great war approaches. In the midst of this chaos, the king's heir, who has been isolated within the castle, is close to awakening from his long slumber. He will have to discover his true self in order to regain his rightful position. ■ Elden Ring Game is a Brand of Fantasy Action RPG The Elden Ring Game is a brand of fantasy action RPGs, but fully realized with the rich and responsive gameplay of action RPGs. It is a fantastical story with a dramatic rhythm and has a vast world of a high visual quality. Dramatic and adventurous scenes based on the class system of real-time action RPGs is set in a different fantasy world, not

---

just a fantasy story with a dramatic atmosphere, and there are many opportunities to acquire a variety of ways to develop your character. ■ Original Soundtrack and Dramatic Soundtrack to Feel the World As the soundtrack for The Elden Ring Game, original soundtracks both by sound director Kana Ichinose, who has worked on the AAA genre titles, and music composer Yoshihisa Hirano, who has become a composer for fantasy movies, were developed. With a deep musical atmosphere based on both original and dramatic soundscapes, the music of The Elden Ring Game creates a sense of expedition and urgency. ■ Unique Online Gameplay Online play has been added to The Elden Ring Game. The gameplay is designed to develop the feelings of being there, with the proprietary combination of the PlaySpace function and online synchronization. The opportunity to gather with other players to visit an instanced world and enjoy the thrill of adventuring in a vast world that is continuously updated, while participating in online battles and socializing is also available. ■ Online Compatibility in Explor

### **Features Key:**

**New Story:** An unprecedented story that brought the world of *The Tarnished Prince* to life. Elden Ring is a real-time role playing game developed by FromSoftware in a beautiful world of fantasy action-RPGs. This game takes place in a role-playing game at its most original, as players are able to participate in online multiplayer and create their own characters with endless possibilities.

---

The game unfolds through a multilayered story, narratively told in little pieces.

**New Equipment:** Through the use of a unique Customization System, players can freely and freely combine the weapons, armor and magic that they equip. Players can develop their characters according to their play style, such as increasing the strength of your muscles to become a strong warrior, or mastering magic.

**A New World:** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected, with multiple paths and unexpected challenges.

**The Shares System:** Use this system to form tight-knit Groups consisting of up to 99 friends, with the ability to freely switch between 2, 3, 4, even 5 friends simultaneously, as well as invite others in your own group from within the game.
