## **Features Key:**

Open World - A wide variety of fantastic landscapes and elements await you as you travel across the Lands Between.

Choose Your Own Dungeon - Each world has a wide range of three-dimensional dungeons filled with monsters, traps and secrets

Deeper Game Engine - Utilizing next-generation PlayStation's GaP engine, the game provides a dynamic, first-person view of the world. The new engine also supports a wide variety of scenes with realistic graphics to create an exciting experience.

Dynamic World - While exploring the world, the occasional event will bring the story to a turning point. Your choices in these critical situations will decide the ending of the game.

Dynamic Time Attack - In addition to a standard story-based run mode, the Mode List can be cleared while one watches the passing of time.

Enhanced Combat System - Strategic battles with skillful use of super attacks and various powerful skills are back as a core gameplay feature

Improved Character Customization - The current characters, along with new characters to come, can be built to an extent never before possible. Armed with firearms and melee weapons, you can wade into battle with ease and destroy your enemies in exciting combat scenes.

Stylized Characters and Beauty - An art style that blends Western and Eastern aesthetics has been planned for the opening up of the fantasy world. Utilizing the latest mapping technology, the richly detailed and three-dimensional worlds will be brought to life.

Fantasy Dungeon Battle - Using the Magic detector, a blood ritual has been carried out on the monster, and you have the chance to score a crucial mistake.

In the game, you will assume the role of a young warrior who lives in a world full of excitement and adventure. As a character, you will experience not only the beautiful and thrilling battles with monsters, but also the joy of exploring a vast world. You can freely enjoy your battles with both your own skills and the skills of others. As a character, you will be able to choose your own path through the story to enjoy a world full of challenge and mystery, and seek your own fate.

- Immerse Yourself in a Fantasy World A vast world of wide fields and vast underground dungeons where you can freely explore. As you walk along the road, the world around you falls into a completely different place. Giant monsters wait for you in many places. The world itself is alive!
- Battle in Three Dimensions In the game, you will have to battle across three-dimensional environments. In addition to progressing through the field, the direction you are facing can be different on the battlefield, meaning there are battles which are completely different depending on the direction you are facing. You are forced to think about each movement choice at every step, allowing you to enjoy a totally new gaming experience.
- Develop Your Own Personal Style of Play As a character, you are given the opportunity to design your own battle style. You can make a muscle-based character that is strong enough to beat enemies with the use of a hammer, or a character who controls the entire battlefield with magic. You can develop your character in a wide variety of ways, and go on adventures.
- Fight Dungeons Deeply Connected to the Outside World As you explore the depths of dungeons, you will also be able to enjoy an atmospheric soundtrack and a dense storybook. It is not just simple dungeons where you jump into the story, but rather dungeons that connect with the outside world. Dungeons take form, and are developed in true 3D to give you a thrilling gaming experience.
- An Epic Drama Based on an Ancient Myth A multilayered story is told in fragments. A multilayered story in which the various thoughts of the characters meet together in the Lands Between. As a character, you are able to freely control your own actions in the story, and help shape your own fate. You will face the challenge of the darkness surrounding you, and the future of the world.
- Asynchronous Online Battles In addition to online play, where you can directly
