HEARD ABOUT THE ELDEN RING? In a time when dreams and legends are all that remain of humanity, the citizens of the Lands Between live in the time of darkness known as the Decay. Most of them are lost in this time of madness and perdition. Hearing of this world's calamity and also of the miraculous ring that was found in the possession of Lord Canorus to prevent the Decay, the young Tarnished, a prince of the people, aims to obtain this ring and free the people of the Decay from their despair, before he can be called a prophet like his father. The Tarnished who decides to achieve this will encounter a host of challenges as he journeys to an ancient civilization in search of the Ring. Along the way, he must also battle his regrets and desires and also overcome the challenges of his past and the torments of the present. The Tarnished who successfully obtains the Ring will transform his appearance into that of an Elden Lord and will be granted a chance to bestow honor upon the lands and the people who seek his help. By becoming an Elden Lord, a leader of the Lands Between, your character will be given an immense influence on the course of history. The Tarnished who abandons the ring will decay from the inside and will be cursed to eternal darkness.

Druid (3 characters)

Cyprian Walker, your name is forgotten in this era. Although you were the cherished heir of a noble family, your father was killed in the war during the unification of the Dominion of Zion, leaving a political crisis in your family. Upon the order of your two grandmothers, you were raised in the form of a nobleman.

Once acclimatized to your present surroundings and gaining your proficiency in battle, you learn that you are in fact an offspring of the Starseeker, a powerful hunter of the ancient heroes. You receive a glimpse of the truth regarding your father, which has an important effect on your future. From then on, you set out to learn the art of combat and walk the path of your destiny...

Harvest your spirit when you prove yourself on the battlefield of the Elder Lands. Interact with the many people you meet on your journey, and become a part of their worlds and play too!

What are we talking about?

- 1) AN ONLINE ACTION RPG: Even in an age of games, the ground-breaking dev. team of Crypt of the Necrodancer takes them to the next level by using an online connection to allow two players to coexist within a single playthrough. This action RPG features seamless, asynchronous online play to accommodate a light RPG to hardcore players alike, as well as a Battle Royale mode on the lowest difficulty setting.

- 2) A METROSMORPH TRADITIONAL RPG, DISGUISED AS NEW: Although the new fantasy action RPG is deeply rooted in the Vast World of the *Metropolis*, it draws heavily on the dark fantasy and merciless action of the *Metropolis*. This includes creepy and unsettling outfits, music, monster designs and more.

Await for More...

... and more about that in the future.
