UCSC Cybersecurity breach reveals the name and age of every teacher - gcb0 ===== tdavis This story is being circulated as if it's the PR press release, but I see no mention of it on the UCSD web site and it is not on the UCSD press release page. Are they going to have someone get themselves fired? 6 brilliant animator GIFs When you take the visual language of animation and put it in the hands of a master animator, their work can look like nothing you've ever seen before. Here are some of the best examples of amazing animated GIFs. 6. Art in Motion The Art in Motion team creates some of the most beautiful and inspiring animated GIFs you will ever see. Their current project, which they call Lifesigns, makes you care about the world in a way you never have before. 5. What's the cartoon-movie remake? This is the movie version of the Atari classic, "Pong." Although, unlike the game that it's based off, this is definitely a remake. 4. George Gibert Although you probably haven't seen this animated GIF before, it's from a series of exciting short films called "Brushes with Greatness." You can find more of the artistic short films on George Gibert's website. 3. Meet Jessie The name "Jessie" sounds like the name of a sweet, little puppy. But if you look closely, you'll realize there is something a little extra special about Jessie. 2. Kathy This sweet scene was drawn by an artist named Chris McGill. There's a lot of detail to look at, like the dog and the tiny little envelope. 1. The Awakening This is a beautiful illustration of one of the main characters from the movie "The Awakening." This is a perfect little reminder
