Adobe Photoshop is a vector graphics editor and a bitmap graphics editor for working with raster image files, such as photographs, scanned images, and images produced by the digital camera. In addition, the version 11.0 features the ability to use layers, a feature introduced in Photoshop 7, to create images with multiple levels of detail. Adobe Photoshop Elements is a standardization of the Photoshop Standard Suite software released on October 17, 2004. The software was developed by Apple. Adobe Photoshop Elements and Photoshop, as they are commonly called, both work with the pixel-based digital files produced by most digital cameras, but Photoshop Elements is designed for use with these files. Photoshop Elements was developed to produce images suitable for email, the Web, and other uses for which resolution is a little less critical than with prints. For those who like Photoshop Elements, you are now able to get an online tutorial on it, specifically designed for those just getting into Photoshop Elements. Good tutorials are essential. You will need a tutorial that addresses Photoshop Elements as a solid software program, not as a lesser version of Photoshop. A tutorial that talks about everything Photoshop Elements

can do well is unlikely to cover everything Photoshop Elements can do better than Photoshop. Photoshop Elements 11 and above Photoshop Elements 11 is a complete redesign of the program. It provides most of the same capabilities as Photoshop, but it does not have many of the advanced features that Photoshop has. Adobe Photoshop Elements 11 is free software that you can use to edit photographs, and it is the best free alternative to Photoshop. It also has a vast library of additional filters for use with images created in Photoshop Elements. Adobe Photoshop Elements 10 Adobe Photoshop Elements 10 has the same capabilities as the previous version of Adobe Photoshop. Most users do not upgrade to the newer version of the software. If you are interested in upgrading to the newer Photoshop Elements version, look up the difference between Photoshop Elements 10 and Photoshop Elements 11. Photoshop Elements is a free photo editor that has most of the features of Photoshop. Photoshop Elements has a simple set of tools used to manipulate images. Photoshop Elements also has a lot of filters, backgrounds, and other features. The new menu system of Photoshop Elements 11 has a simpler look and feel than the previous version. Photoshop Elements 8 Photoshop Elements 8 is available for download and for purchase. Users who are upgrading to a new version of Photoshop Elements from 05a79cecff

Chris Gantley and friends are at the cabin Nov. 9, 2012 Loading Photo Galleries... Written by ? As 2012 comes to an end, Chris Gantley, a New Jersey native who lives in Port Jervis, knows, is looking forward to his first day off work in 2013, which will coincide with President Barack Obama's second inauguration. ? "I will be headed to Asbury Park on Sunday to watch the election returns, then fly back home for New Year's Day," said Gantley, a nightlife publicist. ? Since being named "America's Strangest Man" in 2008, Gantley, a tuxedo-clad gentlemen who waxes his own car, has become a star in the blogosphere. And it's all been that much more entertaining, Gantley said, since he revealed a few years ago that he has a wife of almost 30 years, and children aged 14 and 10. ? "It's crazy," Gantley said of his wife and his oft-photographed family. "People keep asking if my kids and I are related. No. We're just family." ? Gantley, 49, considers himself one of the lucky ones. ? "I always wanted to have my own family," he said. "Now I'm on a good road to it. I hope my kids can live a long life and I get the chance to be with them." ? Gantley, who's the CEO of Sidelines Magazine and has also been a DJ at HOT 97 and 102.7/106.5 WMMR, will spend most of the day watching the election results, and is hopeful that Gov. Chris Christie could make history as he's up for re-election. ? "I think if he runs successfully, that will be a defining moment, to create a new standard for Republican governors, and it will continue to open up the dialogue for Republicans to come up with a new message," he said. ? "So I'm optimistic that the country can use some new direction," Gantley said. ? And he's not alone. ? "I want to see the president go the distance," he said. ? Gantley has plenty of friends and family up for the challenge of seeing the presidency through. ? "I'm going to be on the road for the next eight months, traveling
