
NEW! Download Assassins Creed 1 Pc Game Torrent

[Download](#)

Meet the game that started it all as you take on the role of Altair, a cunning assassin who uses his incredible hand-to-hand combat skills, stealth and . In the first part of the game, an assassin named after his hometown was forced to leave his hometown to continue his bloody but noble cause. In fact, a fairly typical plot awaits you. You play as Altair, a Templar Assassin who has decided to devote himself to serving the ideals of the Brotherhood. You have the opportunity to visit many exotic places, including Constantinople, Egypt, China and Syria. But you will not just wander around the cities and kill everyone who gets in your way.
